

Energy Associate

Prominent Albany, New York law firm seeks experienced attorney with a minimum of three (3) years' experience to join its Energy practice. The ideal candidate will have knowledge of the New York and federal energy regulatory frameworks.

Specific Responsibilities include, but are not limited to:

- Participate in proceedings before state and federal regulatory agencies
- Advise clients on complex energy regulatory issues, asset divestiture and acquisition, and other transactions
- Represent clients in matters involving utilities and before and electric system operators
- Assist clients in evaluating energy procurement options
- Engage in generation and transmission development and siting
- Draft, review, negotiate, and advise on contracts, including power purchase agreements and asset purchase and sale agreements
- Perform other relevant duties as assigned

Required Qualifications:

- J.D. with 3 years relevant experience at a law firm, in government, in a corporate setting, or in another comparable regulatory environment
- Admitted to practice in New York
- Excellent writing skills
- Effective communication skills, verbal and written
- Superior attention to detail and organizational skills

We offer full benefit package, including Health/Dental/Vision insurance, 401k, paid time off, parking, etc.

Interested applicants may submit a cover letter and resume in confidence to the firm Administrator, Lindsay Perkins.
